**CITY OF ORMOND BEACH PARTNERS WITH FLORIDA DEPARTMENT OF HEALTH TO OFFER
COVID-19 TESTING TO RESIDENTS LOCALLY**

ORMOND BEACH - May 14, 2020 To better serve local residents during the COVID-19 pandemic, the Florida Department of Health is partnering with the City of Ormond Beach to offer a free drive-thru testing site in Ormond Beach beginning Monday, May 18, 2020 through Wednesday, May 20, 2020.

The site will be located at the Ormond Beach Performing Arts Center at 399 N. U.S. Highway 1. Nasal swab tests will be available each day from 9 a.m. to 1 p.m. Testing activities will sustain as long as supplies last.

Pre-register by calling 386-274-0500 anytime from 8 a.m. to 5 p.m. and select # for coronavirus information. Those infected with COVID-19 do not always feel sick, so you do not have to have symptoms to be tested. Pre-registering is not required but will get you through the line faster and is highly encouraged.

It will take approximately 7 business days to receive your results. The Department of Health will call you with positive or negative results at the telephone number you provided during registration.
