

# Walk-Up Testing for COVID-19

## Midtown Cultural & Educational Center

925 George W. Engram Blvd., Daytona Beach

*Anyone over the age of 18 can be tested, regardless of symptoms*

### What do I need in order to be tested?

**Government Issued ID** – This photo ID does not need to be a Florida Driver License

**Health Insurance Card** – Everyone will be tested, regardless if they have insurance

**Healthcare facility or first responder ID or badge** (If applicable)

### What happens when I arrive at the testing site?

In line you will be greeted and directed by personnel in protective gear.

Each individual will be asked to provide their government issued ID, first and last name, health insurance card, if you have one (but it is not required), and contact information.

### What is the testing process?

A health professional in personal protective equipment will provide you with instructions.

A soft swab will be inserted into your nose to get the necessary sample. This may be slightly uncomfortable; however, the test is quick and should take less than a minute.

### What happens after I am tested?

You will be given information on what to do while awaiting test results. Please keep the instruction sheet until after you receive your results.

Follow signage and directions for exiting the testing site.

After being tested, continue to monitor and record symptoms. You will receive your test results via telephone call.

### What else do I need to know?

There are bathrooms at the testing site.

There may be significant wait times - Prepare by having plenty of water to drink and any food you may need due to dietary restrictions, i.e. diabetic.
